7.Appointment Page:

The image shows a mobile application interface for booking an appointment. The background is a blurred photograph of a hospital reception area with people waiting. A semi-transparent dark overlay contains the booking form. At the top left of the overlay is a 'Home' button. The form is titled 'Patient Details' and includes fields for Name, Address, Date of Birth, Disease, and Vaccine. Below this is a 'Choose Appointment Slot' section with a date picker and two radio button options for 'Morning' and 'Evening' slots. A 'Select a Time Slot' dropdown is also present. At the bottom of the form is a large green 'Book Appointment' button.
